Posters (I-V)

Five bilingual vinyl posters were created with succinct messages for the earth day celebrations. The posters, 1x1.5 sq feet in size was made in sunboard and were laminated so that it could be displayed in the school premises for a long time. Two way tape was also provided with the kit to enable the school to paste it on the walls at congregation places, such as the assembly hall.

Painting making sheet

Over 100 sheets in each category were provided for each school. A total of 200 sheets were dispatched to every school. Thus around 2500 sheets were printed and numbered. This way we were sure that the candidates were legal participants. Also it standadised the area of production for schools pan India as it gave the same kind of paper and material to all children to work upon. The paper was printed so that it would be easy for the school and the evaluation committees to visually identify senior and primary entries. The Painting sheets were original cartridge paper.
